2. Student must report to office to add any vehicles to permit, or delete vehicles that are no longer in use.
3. If at the time the semester report card is sent home, a student is failing any subject or shop class, that student may be deemed ineligible to drive until progress reports indicate passing.

8. School buses have the right of way at all times. It is illegal to pass buses with red lights flashing.
9. Students with driving permits do not have the permission of the administration to transport other students to or from school.
10. Students will park in **designated student parking areas only**. Permission from the administration is required to park elsewhere.
11. Students are required to hang the parking permit on their **rear view mirror facing forward**. Permit is to be transferred from vehicle to vehicle if registered with the school.
